Race Format:

Scoring will be the low point system for fleet racing. Throw outs will be allowed, and specified in the Sailing Instructions. If sufficient number of entries warrants division of fleet, the Odd / Even Heat System will be used.

Rules:

The regatta will be governed by the current “Racing Rules of Sailing” as modified by Appendix E “RC Boat Racing Rules”, by Seawind Class Rules, and by the Sailing Instructions for this event.

Eligibility:

Any owner/skipper of a Seawind class yacht who is a member of the Seawind Class Owners Association and the American Model Yachting Association or his/her appropriate national authority may participate.

Inspection:

All boats will be subject to inspection, to include weighing, before or at any time during the regatta in order to verify compliance with Seawind Class Rules.

Frequency Assignments:

Every effort will be made to assign your primary frequency. If a conflict arises, frequencies will be allocated on a "first come, first served" basis. If an alternate channel is required the entrant will be notified as soon as possible after the entry is received.

Awards:

Gold chevrons are supplied by the AMYA for the first three places. Trophies will be awarded for at least the top 20% of fleet.

There will also be a raffle, held during the event.

Lunches:

Included in the entry fee, for both Saturday and Sunday. Additional lunches for guests may be ordered.

Entry:

The deadline for entry will be August 1, 2009.

Entry fee for the regatta is \$35, to be sent with the Entry Form. Included are event specific caps, trophies, raffle, lunch (two days), plus assorted snacks and cold drinks both race days.

Additional Information:

Sailing Instructions, frequency assignment confirmations and other pertinent information will be sent to each participant after entries are received.
